

A notice in the East Jerusalem branch office of the Interior Ministry

The following notice - in Arabic only - has been hanging for over a year next to the information desk in the East Jerusalem branch office of the Interior Ministry, and reads as follows:

"إلى جمهور المراجعين الرجاء عدم تأدية فريضة الصلاة أثناء تواجدكم في مبنى الوزارة و"نرجو المعذرة

This effectively translates into:

To all visitors, please do not perform the duty of prayer while on the office premises. And "with apologies"
