Re: **Notice of intention to seize and demolish the apartment on the third floor (top floor) in the structure in which lived 'Akari (I.D. _____)**

1. Pursuant to his power as the military commander, and according to Regulation 119 of the Defence (Emergency) Regulations, 1945, the GOC Home Front Command hereby notifies of his intention to seize and demolish the apartment located on the third floor in Shuafat neighborhood, East Jerusalem (waypoint 3521714, 712955, as marked on the attached map) in which lived 'Akari (I.D. _____) (hereinafter: the above named).
2. This measure is pursued in view of the fact that on November 5, 2014 the above named committed a terror attack wherein he drove his car into the platform of "Shimon Hatzadik" light rail station where passengers were waiting and ran them over, and after his car stopped he also assaulted passersby with an iron rod. The terror attack resulted in the death of a Border Police officer and a 17 year old youth, and in the injury of 14 additional persons in various levels of injury. It is the position of the GOC Home Front Command that this measure is required to deter potential terrorists from the perpetration of similar terror attacks in the future.
3. The purpose of this notice is to enable you to present your arguments or objections against this intention. Should you wish to do so, you must specify them in writing and transfer them to the GOC Home Front Command not later than November 22, 2014, at 21:45, via the office of the GOC Home Front Command, by facsimile No. 08-9783349 (telephone No. at the office: 08-978-3777).
4. Any factual or legal argument raised by you, must be supported by documents and other proof which should be attached to your letter to the military commander.

Sincerely,
